Subject: SI and H Experimentation, 6 February 1952

On Wednesday, 6 February 1952, in Building 13, Room 20, SI and H experiments were carried on with Misses [redacted] and [redacted] by Messrs. [redacted]

Since it had been agreed by [redacted] and the writer that the development of the capabilities of both [redacted] and [redacted] in the hypnotic techniques was essential, it was decided to conduct simple tests in an effort to produce deeper trance states in both [redacted] and [redacted], and use [redacted] solely for demonstration purposes.

Accordingly, the entire evening's work was spent conducting simple inductions and making tests for depth with simple post-hypntotics with both [redacted] and [redacted]. In this connection, both girls showed noticeable improvement in the opinion of [redacted] and the writer and appear to be approaching a more complete grasp of these techniques and a much more successful ability to participate in the experiments.
